Dear Title Surname,

I write with pleasure to offer you an appointment as an Academic Visitor in the Department of Mathematics & Statistics for the period 10 July 2026 to 10 August 2026. You will have no formal duties in the University except for any which may be arranged with the Head of Department.

During your time in the University, you will be subject to the Charter, Statutes, Ordinances and Regulations, and to any amendments or additions thereto. These are published in the University Regulations at: <http://www.strath.ac.uk/staff/policies/>

In particular, please note the University's regulations dealing with questions of safety and of access to buildings. Your appointment gives you access to the facilities of the University. Production of this letter should be sufficient authority to ensure your ready acceptance by the relevant bodies.

All research conducted during the visit must adhere to the University's Research Code of Practice, and related policy and practice guidance, including Research Integrity and Trusted Research. Further information, support and guidance is available at <https://www.strath.ac.uk/research/integrity>

If you are a member of an institution that is a participant in eduroam you will be able to get wireless access using that service or alternatively you can self-register using our guest WiFi.

I trust that your visit to the University will prove both beneficial and enjoyable.

Yours sincerely,

Robert Lawrie
Faculty Manager
